FOR IMMEDIATE RELEASE

RCMC HOME HEALTH AND HOSPICE NAMES NEW VOLUNTEER COORDINATOR

LEBANON, VA: Russell County Medical Center's Home Health and Hospice has recently named Tammy Lester as Volunteer Coordinator. Lester, who currently serves in the capacity of data entry will continue in this capacity while also handling the new responsibilities of volunteer coordinator.

Lester has been employed with RCMC Home Health and Hospice for 19 years. For the past six years Lester has served in the capacity of data entry for RCMC Home Health and Hospice. Prior to this she had worked in the field as a Certified Nurses Aide (CNA).

In her new role Lester will work directly with Travis Shortt, new Marketing Coordinator, in raising awareness of RCMC Home Health and Hospice, their services, and the need for volunteers. Lester will oversee volunteer recruitment and retention; volunteer responsibilities; in-service and evaluation.

"I take great pride in accepting this new title and responsibility. I look forward to working closely with the community, volunteers, and our patients," Lester said.

For more information concerning the services provided by RCMC Home Health and Hospice and possible volunteer opportunities, please call Tammy directly at 883.8493.
